

PHYSICS 110/161/195 MULTIPLE CHOICE TEST

See the adjacent MCQ Answer Sheet.

You must fill in your student number, surname, initials (1st two if there are more) and the date: both in the blocks provided, and by shading the corresponding options. Use H.B. pencil only!

Please also write in your course: PHYS 110/161/195

You will be faced with 20 multiple choice questions, with a choice of five answers each. On your answer sheet, against the question number, shade in your answer (A, B, C, D or E).

For example, if question 1 were:

1. Which of the following is a vector quantity?
 - A. mass
 - B. speed
 - C. force
 - D. distance
 - E. time

and you were to choose C to be the correct answer, then next to question 1 you would shade in circle C.

Please note that question 11 starts a new column [see the green outlined box for questions 1 to 20].

YOU MUST NOT MAKE ANY STRAY MARKS ON THE ANSWER SHEET – THIS WILL CONFUSE THE COMPUTER SCANNER WHICH MARKS YOUR SHEET!

YOU MUST BRING ALONG AN H.B. PENCIL AND AN ERASER.
